MEMORANDUM FOR: Director of ELINT

Jim:

STATINTL

I have reviewed your document, [REDACTED] and offer the following comments:

1. While I grant that your document is a counterpart of a "request for proposal," I am still of the opinion it should not be identified as such and, further, that the Director asked that it be otherwise identified. I would suggest for consideration identifying it as, perhaps, "Field Prospectus" or "Proposed U.S. Government Contractor Relationship."

2. That it be made perfectly clear upon delivery of this document to your Interagency Working Group that no Agency commitment is made or inferred to furnish any of the personnel or the government furnished equipment mentioned in the prospectus.

3. That it be made clear to the Interagency Working Group at the time of delivery that the Agency is not prepared to pursue the implementation of the prospectus.
